COMSATS Institute of Information Technology, Pakistan

EXPERIENCE

Phrase | User Interface Designer

July 2021 - December 2023 | Hamburg, Germany

Led the design and development of Phrase's icon and illustration library within the Syntax design system, enhancing visual consistency across web and mobile products.

Collaborated with PMs, engineers, and designers in Agile sprints to scale UI components and improve documentation, increasing design efficiency by 30% and achieving 95% interface consistency.

Designed the logo for the Syntax Design System and contributed to its components, enhancing brand identity and streamlining the development process.

Q-Sensei | UI/UX Designer

April 2020 - April 2021 | Erfurt, Germany

Designed a data analytics dashboard and revamped the company website's UI/UX, enhancing layout and engagement, resulting in a 15% boost in user satisfaction.

Worked closely with engineers and stakeholders to validate concepts, improve navigation, and align design with business goals.

Half Full Studio, Arbisoft, Interacta | UI/UX Designer and Visual Designer

June 2014 - September 2018 (Multiple Roles) | Lahore, Pakistan & Remote

Delivered UI/UX and branding design for startups and events, including Pakistan's first PyCon, where I designed visual assets and branding for 500+ attendees.

Created interaction flows and interfaces for cross-platform products (iOS, Android, Web), improving usability and feature adoption.

Produced illustrations, motion graphics, and editorial visuals to support marketing and product experiences.

PROFESSIONAL DEVELOPMENT

Portfolio & Website Redesign

Early 2024

Revamped personal website to showcase updated case studies, improve structure, and reflect current design process and skills.

German Language Studies, Erfurt Center for Languages and Integration

September 2024 - February 2025 | Erfurt, Germany

Achieved B1 proficiency, enabling effective communication in professional and cross-cultural settings, while actively continuing to improve and advance to the next level

UX Design Course, XDİ

December 2024 - Present | Erfurt, Germany

Advanced skills in user research, wireframing, and prototyping, applying design thinking to user-centered solutions.

Active Member, Creative Community Engagement

2024 - Present | Erfurt, Germany

Participate in weekly art meetups at Zeichenrunde Erfurt, engaging in gallery visits, life drawing, and community events to enhance creative skills and collaboration.
